

# **TELLUS R/W**

Tellus R/W is a task light designed specifically for vehicle and applications where night vision is of great importance. Such applications can be a ship bridge or a train cab.

The lamp head is made from durable aluminium and the sturdy flexible arm allows for accurate adjustment of the lamp head position yet maintaining good vibration resistance.

The light colour can easily be switched between white and red light, the built-in dimming function allows for precise adjustment of the light intensity, down to approximately 2% intensity. Tellus R/W has an extended shade for protection against glare and provides a focused light pattern. Supply voltage is SELV 12-24V for direct connection in vehicles and similar applications, adaptor for connection to the power net is available as an accessory.

Suitable applications are ships, trains and other vehicles.

Our accessories like C-clamp, wall bracket, magnetic base and table base can be used with this product.

Customized versions are available.

#### **Features**

- Flexible arm
- LED service life >30000h
- 12-24V AC/DC supply voltage
- · Red and white light colour
- Dimmable

### **Applications**

- · Ship bridges
- Train cabs
- Road going vehicles

#### **Benefits**

- Low power consumption
- Very low heat emission
- Switchable between red and white light colour
- Flexible arm for accurate adjustment

## **Technical specifications**

Supply voltage 12-24V AC/DC, 1,9m cord set (100-240VAC

Plugin AC/DC-adapter available, IP44)

Power consumption 5W

Arm length 500 or 700mm

Colour Black

Colour temperature 6500K, Red 630nm

IP-rating IP20 or IP43

Protection Class III Beam angle 45°

Light output 77Lm, White 600Lx at 500mm distance, Red

150Lx at 500mm distance

Colour rendering index 80 (6500K)

EMC EN 55015: 2019 + A11:2020, EN 60533:2015

(Bridge)

Weight 1,5-1,7kg Technical lifespan >30000h

Tellus R/W LED White light, 24V / 4.5W

Tellus R/W LED Red light, 24V / 3W

Arm	Connection	Version
500mm	12-24V AC/DC	IP43
500mm	12-24V AC/DC	IP20, Joint
700mm	12-24V AC/DC	IP43
700mm	12-24V AC/DC	IP20, Joint

#### PSU (100-230V)

LED Power Supply 100-230V

## **Mounting Accessories**

Magnetic base 14000

C-Clamp 14020

Wall mount 14030
